I. Application from A. B. Ramanna praying that he may be permitted to open a sugar refinery in his own shop until a proper place is selected by the Municipality near the Octroi Office.

Resolved that the Municipal Council do not see their way to reopen this question, which has been already decided.

II. Chief Engineer's letter on the drainage project for the City of Mysore and correspondence connected therewith.

Resolved that the Chief Engineer be requested to get this work done by the Trust Board, the Municipality undertaking only to recover the costs from the parties concerned, except in the case of very poor persons, who should be provided with such drains and sinks inside their houses gratis.

Further resolved as follows :—

4. (4) That the Executive Engineer, Trust Board, be requested to furnish figures so that the Health Officer may be asked to give the Council an estimate of the annual cost of maintenance.

(5) That the Council are not in favour of passing the night-soil into sewers except that of public latrines and of houses where the flushing system can be introduced.
